

INTERESTED IN JOINING CUB SCOUTS?

Pack 125 Rocket Roundup!
Landisville Middle School
August 22, 2015 at 1:00 pm

Come join the scouts of Pack 125 for our annual rocket launch and program kickoff. Boys in 1st - 5th grade are invited to bring their own rocket to launch! While the boys are having fun, parents have an opportunity to see what Cub Scouting has to offer. The rocket launch will take place in the athletic fields behind Landisville Middle School so you will need to drive around the school to find us. Rocket kits and supplies can be purchased at Cool Trains in Salunga.

Pack 125 meets in the Rohrerstown area, but is open to all boys in the area. For more information about Cub Scout Pack 125, please visit our website at: <http://pack125.scoutlander.com> or call Joe at 717.723.9130.

* Please limit rocket engines to size C and smaller. Parents must remain onsite with their sons. While you are not committed to join, we will ask each visitor to please complete a membership application for insurance purposes.
